

The St. Elizabeth Chapel

The St. Elizabeth Chapel, in memory of Sr. Consolata Kline, H.M., will pay tribute to one of our Sisters of the Humility of Mary that dedicated her life to serving the Catholic Health Ministry in the Community. During her 54-year tenure at St. Elizabeth Youngstown Hospital, Sr. Consolata oversaw and led an expansion that would take the hospital from a general medical-surgery facility to a comprehensive health-care center.

The Chapel at St. Elizabeth is a place for patients, families and employees to join our ministry in celebrating, honoring and remembering milestones that are achieved collectively.

Our Sisters have focused and dedicated their lives to bringing more abundant life to God's people – by helping continue their legacy and provide a new space for faith, we will be serving those in need for another 100 years - mind, body, spirit.

Below are specific giving options, but gifts of all sizes will help bring this new place of healing to life.
