## CHAMPIONS FOR CHILDREN

We invite you to become a member of the new **Champions for Children Giving Circle (C4C)**! Members are joining together in this grassroots effort designed to support Mercy Health — Children’s Hospital and Mercy College of Ohio. Circle members are part of a dynamic group who have the opportunity to meet three to four times per year to learn about the hospital and college, new physicians, new services, classes and more. Gifts are pooled together and membership collectively decides on the use of the funds!

## Yes! I'm a Champion for Children!

An annual gift of \$400 includes an opportunity to vote on the priority C4C will fund!

A Sponsor gift of \$800 allows us to do more!

It's simple and your membership will save and change the lives of children and students in our community. The collective membership gifts allows C4C members to make a greater impact than working alone. Your annual membership gives you a vote so you can help decide which project or program is funded!
