

A Message from the CEO

Dear Friend,

It is an honor and privilege to be a part of the ministry at Marcum & Wallace Memorial Hospital.

We are your community hospital...dedicated to serving our communities. Our healthcare providers reflect a personal calling of mercy and tenderness in all that they do. Built by our community more than fifty years ago, MWMH has a vision that is driven by excellence.

To give back is often an emotional decision; a decision that you feel can truly make a difference. I want you to know that it is through generous donor support that the MWMH Foundation can ensure the mission of the hospital is continued.

Best regards,

Susan Starling

President & CEO, MWMH

Continuing the healing ministry of Jesus

Caring together. **MERCYHEALTH**

*Give back and
experience the rewards.*

Our Donors *Make a Difference*

The gifts that have been made to the MWMH Foundation over the last decade have provided a significant impact in our ministry.

Just a few of the countless ways MWMH Foundation donors have given back:

- “Adopt A Room” patient room renovations
- Patient room furniture
- Laboratory printers
- Blanket warmers
- Emergency Room equipment and technology
- Wheelchairs

With each gift to the MWMH Foundation, you become our valuable partner in creating a healthier community for each of us — and generations to come.

Gifts to our ministry allow MWMH to promote good health, purchase state-of-the-art technology, construct and maintain facilities and support services which comfort and heal our patients.

Say thanks.

And honor a healthcare provider who has taken care of you.

Say thanks to Marcum & Wallace Memorial Hospital by making a gift to the MWMH Foundation. There are many reasons to give from your heart...in appreciation, in honor, in memory or to make a difference in your community.

A gift to the MWMH Foundation will ensure the mission of the hospital is continued.

Make a tax-deductible gift today.

Make a Gift

As we identify our community’s future health needs, we know the generosity of those who give back plays a vital role in preserving our ministry for future generations. That’s why we seek your support.

We also, however, want to make sure you benefit from making a gift to us:

- Receive a current income tax deduction
- Naming opportunities and other recognition
- Avoid long-term capital gains tax
- Reduce estate and gift taxes
